Discipline and Behavior Management Policy

Date Adopted 01-01-08

Praise and positive reinforcement are effective methods of the behavior management of children. When children receive positive, non-violent, and understanding interactions from adults and others, they develop good self-concepts, problem solving abilities, and self-discipline. Based on this belief of how children learn and develop values, this facility will practice the following discipline and behavior management policy:

We:

1. DO praise, reward, and encourage the children.
2. DO reason with and set limits for the children.
3. DO model appropriate behavior for the children.
4. DO modify the classroom environment to attempt to prevent problems before they occur.
5. DO listen to the children.
6. DO provide alternatives for inappropriate behavior to the children.
7. DO provide the children with natural and logical consequences of their behaviors.
8. DO treat the children as people and respect their needs, desires, and feelings.
9. DO ignore minor misbehaviors.
10. DO explain things to children on their levels.
11. DO use short supervised periods of "time-out"
12. DO stay consistent in our behavior management program.

We:

1. DO NOT spank, shake, bite, pinch, push, pull, slap, or otherwise physically punish the children.
2. DO NOT make fun of, yell at, threaten, make sarcastic remarks about, use profanity, or otherwise verbally abuse the children.
3. DO NOT shame or punish the children when bathroom accidents occur.
4. DO NOT deny food or rest as punishment.
5. DO NOT relate discipline to eating, resting, or sleeping.
6. DO NOT leave the children alone, unattended, or without supervision.
7. DO NOT place the children in locked rooms, closets, or boxes as punishment.
8. DO NOT allow discipline of children by children.
9. DO NOT criticize, make fun of, or otherwise belittle children's parents, families, or ethnic groups.

I, the undersigned parent or guardian of

(child's full name), do hereby state that I have read and received a copy of the facility's Discipline and Behavior Management Policy and that the facility's director/coordinator (or other designated staff member) has discussed the facility's Discipline and Behavior Management Policy with me.

“Time-Out”

"Time-out" is the removal of a child for a short period of time (3 to 5 minutes) from a situation in which the child is misbehaving and has not responded to other discipline techniques. The "time-out" space, usually a chair, is located away from classroom activity but within the teacher's sight. During "time-out," the child has a chance to think about the misbehavior which led to his/her removal from the group. After a brief interval of no more than 5 minutes, the teacher discusses the incident and appropriate behavior with the child. When the child returns to the group, the incident is over and the child is treated with the same affection and respect shown the other children.

Enrollment Agreement

Parental Agreement

ECA seeks to maintain a positive working relationship with parents and guardians. We desire parental involvement and partnership, which is so critical in our educational and Christian setting. ECA maintains that our educational objectives cannot be fully realized without the active interest, participation, and commitment of parents and guardians. Consequently, we expect parents to be involved with teachers, staff, and administrators, and to accept their part in educational accountability. We expect parents to support the educational efforts of our teachers, to closely monitor their child's school work, to respond to communication from our faculty and administrators, to praise and encourage your child in his/her efforts at school, to provide a place and time for study at home, and to be that helper at home, if their child needs extra help.

We recognize that there may be times when issues, differing views, or concerns arise that need to be addressed. Problems not properly dealt with generally lead to greater conflict. Our administrators and faculty are available to meet with you to discuss issues related to your child which you believe need to be addressed. We value communication, objectivity, and constructive dialogue that bring about solutions and resolution to concerns. In those sometimes-inevitable situations, please be so kind as to express any concerns to the persons directly involved, such as our teachers or administrators. Generally, it is unhelpful to communicate concerns to others that are not in a position to bring closure and resolution to your concerns. Notwithstanding, our expectations are that in the event of conflict or disagreement, parents and guardians will approach issues with our staff in a positive, objective, mature; and non-adversarial manner. Disagreements are not necessarily personal, and if given the opportunity, our staff, in most cases, will be able to resolve your concerns.

Ultimately, we believe that our effectiveness as an educational institution is undermined when parents do not support our teachers and administrators. At what point a parent maintains a sustained lack of confidence in our faculty, staff, and administration, we believe that there exists a sufficient barrier to the positive and supportive working relationship that we desire. In the event of the deterioration of this positive working relationship due to an impasse which is seemingly beyond resolution, ECA reserves the right to bar a student from future enrollment at our school, and to begin the steps of transferring said student to another educational institution.

Enrollment Policies

1. ECA expects students to demonstrate consideration, mutual regard, mutual respect, and a positive attitude in dealing with peers, parents, faculty, staff, and administration.
2. Students are not allowed to leave the school grounds during school hours without permission from parents and proper school authorities.
3. The school is not responsible for the loss of personal property, whether the loss occurs by theft, fire, or any other cause.

(Continued on back)

4. ECA reserves the right to dismiss any student who is disruptive or who becomes a discipline problem, reflects adversely on the Christian principles of the school, or generally fails to cooperate with faculty and administrators.
5. Students are to dress modestly and in accordance with the information in the Parent handbook. Body piercing, with the exception of female students' pierced ears, is prohibited, as are tattoos on any of our students.
6. Any student known to deface and destroy school property will be assessed the full cost of repairs or replacement value, and be subject to disciplinary action including dismissal.
7. Students will be assessed the full replacement value in the case of damaged or lost library books and classroom textbooks.
8. A student handbook will be furnished to each student so he or she will be knowledgeable of school policy, procedures, regulations, and expectations. Parents should review handbook material with their child and sign appropriate forms.
9. ECA students will participate in various field trips during the school year. Students are expected to attend field trips with their class. Parents will be notified of each trip.
10. As parents, we agree in accordance with the Biblical principle of Matthew 18: 15,17, to bring concerns and criticisms to the person most directly involved. For issues related to the classroom or instructional program, please contact the appropriate teacher initially. If a satisfactory conclusion is not reached then please contact the administrator who will arrange a time to meet with you and the teacher together.
11. As parents we pledge our support to the teachers and staff members in maintaining good conduct and an optimum learning environment. We further agree that we will support the faculty and administration in discipline at home as needed.
12. Decisions made by the administration are final.

I understand that in signing this Enrollment Agreement, I accept and am supportive of the policies set forth.

Behavioral Action Plan/Contract

OFFICE 336-229-1982
FAX 336-904-2361
E-MAIL bcannon@ebenezerucc.com

Dear Parents,

Excel Christian Academy prides itself in establishing a safe Christian environment, encouraging our students to excel academically, promoting team work, and effectively communicating with our students and families. We are very knowledgeable about the rights of all persons to have a sense of security in their environment, to feel safe in school, and have a sense of comfort to communicate with one another.

In an effort to maintain and promote such an atmosphere Excel has developed this contract and we pray that you will unite with us in our endeavors. Here at Excel we have ZERO tolerance for bullying, disruptive, or aggressive behaviors and we ask that you discuss with your child(ren) the cruelty of aggressive behavior, bullying and being bullied. Statistics show that nearly one in five children are bullied each year. And while bullying may sound like a harsh or overused term, we are fully aware that the typical, coming of age, teasing and taunting of the past must now be proactively addressed to avoid long lasting negative effects. Therefore, we provide you with the following definition for reference and understanding:

Bullying (aggressive/disruptive behavior) has three key components—unwanted, aggressive behavior; a real or perceived power imbalance, and repetition; and the potential to be repeated over time. The combination of these three factors creates a situation that moves beyond conflict to become persistent persecution.

We at Excel wish to continue providing a holistic program that encompasses all aspects of development for our students. This subject matter is one of many that we openly discuss with our students daily. The most effective tool against bullying or unwanted behavior is prevention and everyone, including parents, play a role in creating this safe climate.

Dear Parents,

Excel Christian Academy is licensed for fully toilet trained 3 years old and up. We are unable to change pull ups or clothes when accidents occur. Students are to be fully capable of wiping themselves and changing their clothes when they have an accident. Under state law we are not allowed to assist with wiping. Our teachers will provide minimal help when students need to change their clothes.

Toileting (excerpt from the ECA Parent Handbook)

Excel Christian Academy only provides care for fully toilet trained students. All students must be toilet trained (in regular underwear at home and at school) and independent and self-sufficient in meeting all of their personal hygiene needs without assistance. 2 or more accidents in a week will result in 1-week suspension.

If you have any questions, please do not hesitate to contact Mrs. Bridgette at 336-229-1982.

Yours in Christ,

Bridgette Cannon

I, the undersigned, agree that Excel Christian Academy is unable to change and fully assist with toileting. Minimal assistance will be provided if needed. If 2 or more accidents occur within a week, my student will be suspended for 1 week. Suspension will not be viewed as a punishment, but as practice at home time to ensure that toileting is reviewed, practiced, and mastered for school.
