## Discipline and Behavior Management Policy

Date Adopted 01-01-08

Praise and positive reinforcement are effective methods of the behavior management of children. When children receive positive, non-violent, and understanding interactions from adults and others, they develop good self-concepts, problem solving abilities, and self-discipline. Based on this belief of how children learn and develop values, this facility will practice the following discipline and behavior management policy:

**We:**

1. DO praise, reward, and encourage the children.
2. DO reason with and set limits for the children.
3. DO model appropriate behavior for the children.
4. DO modify the classroom environment to attempt to prevent problems before they occur.
5. DO listen to the children.
6. DO provide alternatives for inappropriate behavior to the children.
7. DO provide the children with natural and logical consequences of their behaviors.
8. DO treat the children as people and respect their needs, desires, and feelings.
9. DO ignore minor misbehaviors.
10. DO explain things to children on their levels.
11. DO use short supervised periods of "time-out"
12. DO stay consistent in our behavior management program.

**We:**

1. DO NOT spank, shake, bite, pinch, push, pull, slap, or otherwise physically punish the children.
2. DO NOT make fun of, yell at, threaten, make sarcastic remarks about, use profanity, or otherwise verbally abuse the children.
3. DO NOT shame or punish the children when bathroom accidents occur.
4. DO NOT deny food or rest as punishment.
5. DO NOT relate discipline to eating, resting, or sleeping.
6. DO NOT leave the children alone, unattended, or without supervision.
7. DO NOT place the children in locked rooms, closets, or boxes as punishment.
8. DO NOT allow discipline of children by children.
9. DO NOT criticize, make fun of, or otherwise belittle children's parents, families, or ethnic groups.

I, the undersigned parent or guardian of

(child's full name), do hereby state that I have read and received a copy of the facility's Discipline and Behavior Management Policy and that the facility's director/coordinator (or other designated staff member) has discussed the facility's Discipline and Behavior Management Policy with me.

Distribution: one copy to parent(s) signed copy in child's facility record

## **“Time-Out”**

"Time-out" is the removal of a child for a short period of time (3 to 5 minutes) from a situation in which the child is misbehaving and has not responded to other discipline techniques. The "time-out" space, usually a chair, is located away from classroom activity but within the teacher's sight. During "time-out," the child has a chance to think about the misbehavior which led to his/her removal from the group. After a brief interval of no more than 5 minutes, the teacher discusses the incident and appropriate behavior with the child. When the child returns to the group, the incident is over and the child is treated with the same affection and respect shown the other children.

## **Enrollment Agreement**

### ***Parental Agreement***

ECA seeks to maintain a positive working relationship with parents and guardians. We desire parental involvement and partnership, which is so critical in our educational and Christian setting. ECA maintains that our educational objectives cannot be fully realized without the active interest, participation, and commitment of parents and guardians. Consequently, we expect parents to be involved with teachers, staff, and administrators, and to accept their part in educational accountability. We expect parents to support the educational efforts of our teachers, to closely monitor their child's school work, to respond to communication from our faculty and administrators, to praise and encourage your child in his/her efforts at school, to provide a place and time for study at home, and to be that helper at home, if their child needs extra help.

We recognize that there may be times when issues, differing views, or concerns arise that need to be addressed. Problems not properly dealt with generally lead to greater conflict. Our administrators and faculty are available to meet with you to discuss issues related to your child which you believe need to be addressed. We value communication, objectivity, and constructive dialogue that bring about solutions and resolution to concerns. In those sometimes-inevitable situations, please be so kind as to express any concerns to the persons directly involved, such as our teachers or administrators. Generally, it is unhelpful to communicate concerns to others that are not in a position to bring closure and resolution to your concerns. Notwithstanding, our expectations are that in the event of conflict or disagreement, parents and guardians will approach issues with our staff in a positive, objective, mature; and non-adversarial manner. Disagreements are not necessarily personal, and if given the opportunity, our staff, in most cases, will be able to resolve your concerns.

Ultimately, we believe that our effectiveness as an educational institution is undermined when parents do not support our teachers and administrators. At what point a parent maintains a sustained lack of confidence in our faculty, staff, and administration, we believe that there exists a sufficient barrier to the positive and supportive working relationship that we desire. In the event of the deterioration of this positive working relationship due to an impasse which is seemingly beyond resolution, ECA reserves the right to bar a student from future enrollment at our school, and to begin the steps of transferring said student to another educational institution.

## **Enrollment Policies**

1. ECA expects students to demonstrate consideration, mutual regard, mutual respect, and a positive attitude in dealing with peers, parents, faculty, staff, and administration.
2. Students are not allowed to leave the school grounds during school hours without permission from parents and proper school authorities.
3. The school is not responsible for the loss of personal property, whether the loss occurs by theft, fire, or any other cause.

(Continued on back)

4. ECA reserves the right to dismiss any student who is disruptive or who becomes a discipline problem, reflects adversely on the Christian principles of the school, or generally fails to cooperate with faculty and administrators.
5. Students are to dress modestly and in accordance with the information in the Parent handbook. Body piercing, with the exception of female students' pierced ears, is prohibited, as are tattoos on any of our students.
6. Any student known to deface and destroy school property will be assessed the full cost of repairs or replacement value, and be subject to disciplinary action including dismissal.
7. Students will be assessed the full replacement value in the case of damaged or lost library books and classroom textbooks.
8. A student handbook will be furnished to each student so he or she will be knowledgeable of school policy, procedures, regulations, and expectations. Parents should review handbook material with their child and sign appropriate forms.
9. ECA students will participate in various field trips during the school year. Students are expected to attend field trips with their class. Parents will be notified of each trip.
10. As parents, we agree in accordance with the Biblical principle of Matthew 18: 15.17, to bring concerns and criticisms to the person most directly involved. For issues related to the classroom or instructional program, please contact the appropriate teacher initially. If a satisfactory conclusion is not reached then please contact the administrator who will arrange a time to meet with you and the teacher together.
11. As parents we pledge our support to the teachers and staff members in maintaining good conduct and an optimum learning environment. We further agree that we will support the faculty and administration in discipline at home as needed.
12. Students are to only be in the care of ECA for 9 1/2 hours a day. Attendance longer than the allotted time will result in suspension or termination of child care services. This is for private pay and DSS.
13. Decisions made by the administration are final.

I understand that in signing this Enrollment Agreement, I accept and am supportive of the policies set forth.
